

MOUNTAIN MANOR TREATMENT CENTERS

"Motivating Change...Changing Futures"

PEER-LED FAMILY SUPPORT GROUP

Addiction takes a toll on the whole family

Mountain Manor Treatment Center and the Maryland Coalition of Families are partnering to bring *free peer led support* to the families of our community.

We invite *anyone* who has a family member or other loved one suffering from addiction to join us for *free refreshments* and *supportive conversation*. Whether your loved one is just starting their recovery journey, has significant sober time, or is starting all over again, we invite all family members to join us.

"Real Talk" discussions are led by a *Peer Support Specialist*, someone who has experienced firsthand what it's like to have a family member struggle with addiction.

Let's join *together* in spreading *hope*.

Please Contact Eboni (ext. 130) or Luciana (ext. 305) to record a count of attendees.

Thank you.
